

BA'BA' -- ON HISTORY

A 7000 year B.C civilization, older than Mohanjadaro and Harappa (Indus River Valley Civilization) was revealed by the BA'BA'(Master), during His visit to Alonia – 22 kilometers from KOTA TOWN, RAJASTHAN STATE OF INDIA. In the month of April' 1984.

BA'BA' revealed many facts about the Inhabitant culture and showed Kharosthi pictorial script inscribed on monolithic caves. BA'BA' also discussed about the “Bone age” – age before the Stone Age.

BA'BA' visited the caves and explained the anabolism of cave paintings. BA'BA' even spoke about mundane subjects such as the type of tools available in the ancient land of ... Rajasthan.

BA'BA' said that Ajanta and Ellora of Maharashtra are 1500-2000 years ... , Egyptian Civilization is 4000-5000 years old and Chinese civilization is about 6000 years old.

BA'BA' has been narrating the forgotten Cultural history of Bharata (INDIA) – the Land of Shiva and Kr's'n'a.

BA'BA' explained the details of Buddhism, Jainism, Vaeshnavaism, Tantric cult, Islam, Sufism, and wide ranging facts of interest to students of religious history. BA'BA' said, “To know history one must have knowledge of Archeology, Anthropology and Philology”.

The compilations of BA'BA's Discourses related to River Valley Civilization will be available in the very near future.

**“Movement is always in systaltic order. All languages follow systaltic order.”
BA'BA' - 30th October, 1983.**
